STATE BOARD OF DENTISTRY

In the Matter of	:	
	:	Administrative Action
LLOYD G. GREENBERG, D.M.D.	:	
	:	
Licensed to Practice Dentistry:	:	CONSENT ORDER
in the State of New Jersey	:	
	:	

This matter was opened to the New Jersey State Board of Dentistry (hereinafter "the Board") upon receipt of information that Lloyd G. Greenberg, D.M.D. (hereinafter "respondent") rendered dental treatment to A.L., which treatment failed to conform to standard dental practice in the State of New Jersey. Specifically, respondent performed extensive restorative dentistry, including many root canal therapies, for A.L. over a number of years, during which time she received continuous dental treatment which proved to be unsuccessful. On March 19, 1997, respondent appeared without counsel at an investigative inquiry into the matter held by the Board.

Having reviewed the entire record, including the testimony of respondent at the investigative inquiry, it appears to the Board that respondent failed to properly treat A.L. over a long course of dental treatment; he failed to consider caries susceptibility; he

failed to properly perform endodontic therapy; and he failed to recognize that implants were not suitable for placement of a prosthesis. These failures constitute violations pursuant to N.J.S.A. 45:1-21 (c) and (d).

It appearing that respondent desires to resolve this matter without recourse to formal proceedings and for good cause shown:

IT IS ON THIS 9 DAY OF JUNE 1997,

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall successfully complete the following continuing education: thirty-five (35) hours of basic endodontic therapy which shall be completed within nine months of the entry of the within Consent Order. This course, which is in addition to the regularly required continuing education hours, shall be approved by the Board in writing prior to attendance, utilizing the attached Pre-Approval sheet. Respondent also shall be required to complete the attached continuing education Report and Proof of Attendance as proof of successful completion of the required course work. The attached forms are made a part of the within Consent Order, and a separate form is to be used for each course.

2. Respondent shall cease and desist from all endodontic therapy until the above described thirty-five hours of continuing education for basic endodontic therapy is successfully completed.

3. Respondent shall submit to the Board all pre and post operative films for root canal therapy for six months commencing when the above described thirty-five hours of continuing education have been successfully completed and respondent's endodontic

therapy practice resumes. Films shall be submitted to Agnes Clarke, Executive Director.

4. Respondent is hereby assessed the costs of the investigation to the State in this matter in the amount of \$101.47. Payment for the costs shall be submitted by certified check or money order made payable to the State of New Jersey and submitted to the Board no later than fourteen days from the entry of the within Consent Order. Payment shall be sent to Ms. Agnes Clarke, Executive Director, Board of Dentistry, 124 Halsey Street, Sixth Floor, Newark, New Jersey 07102.
